About Leman Academy

Leman Academy of Excellence is a charter school that offers a K-8 tuition-free classical education that builds a foundation of wisdom and virtue that will take each scholar far in school and life.

How You Can Help

Leman Academy has sponsorship opportunities that allow businesses to invest in our school and demonstrate its commitment to improving the life and education of every scholar at Leman Academy School of Excellence.

You may consider designating a specific area you would like your donation to support (ie. educational enrichment, school events, etc.), or you can allow it to go to the Leman Academy General Fund, which will support a wide range of programs and activities that are not fully funded by the school's annual budget. Know you're donating to a needed and deserved cause, along with gaining business exposure from all current families.

Leman Academy is a registered 501(c)(3) non-profit organization and donations are tax-deductible as allowed by the law. Remember, the earlier you become a corporate sponsor, the more exposure your company will have to our school community!
